## 1920

Published Each Year by the  
**SENIOR CLASS**

This being the Year Book  
of the

**Class of Nineteen Twenty**

Volume X

**Ohio Northern University,**

1920

N THE NORTHERN N

1920

## **Dedication**

**To Ralph Parlette:**

**Gifted Lecturer,  
Able Editor,  
Dispenser of Truth  
and Good Cheer,  
Friend of Humanity,  
Stalwart American  
and Loyal Alumnus,  
we, the Class of 1920  
dedicate this  
Annual**

## Foreword

To recall to the minds of our classmates memories which they will treasure in future days, to record for the student body the principal events of the year, and to present to such other friends as may see these pages a glimpse of the intimate and invigorating life of the University has been the aim of The Editors.

"Each for the joy of working,  
And each in his separate star,  
Shall paint the thing as he sees it  
For the God of things as they are!"

"The art'st by his art  
Must suggest the whole  
And present the smallest part."

## Hail to Northern

Emblazoned high upon the sky  
In letters wrought in gold,  
Thy fame we see, thy name so free,  
Thy greatness we behold.  
A beacon light illumines the night—  
'Tis Northern, hail to thee—  
While o'erhead the Orange and Black.

### CHORUS :

Old O. N. U., our O. N. U.  
For thee our hearts beat firm and true,  
We cherish thee, for naught we lack  
While o'er-head the Orange and Black.

Thy founder dear without a peer,  
Thy college spirit free ;  
Thy mettle keen on stage and screen  
All bind our hearts to thee.  
For all thy days have won but praise,  
Old Northern, praise for thee.  
For all thy days have won but praise,  
Old Northern, praise for thee.

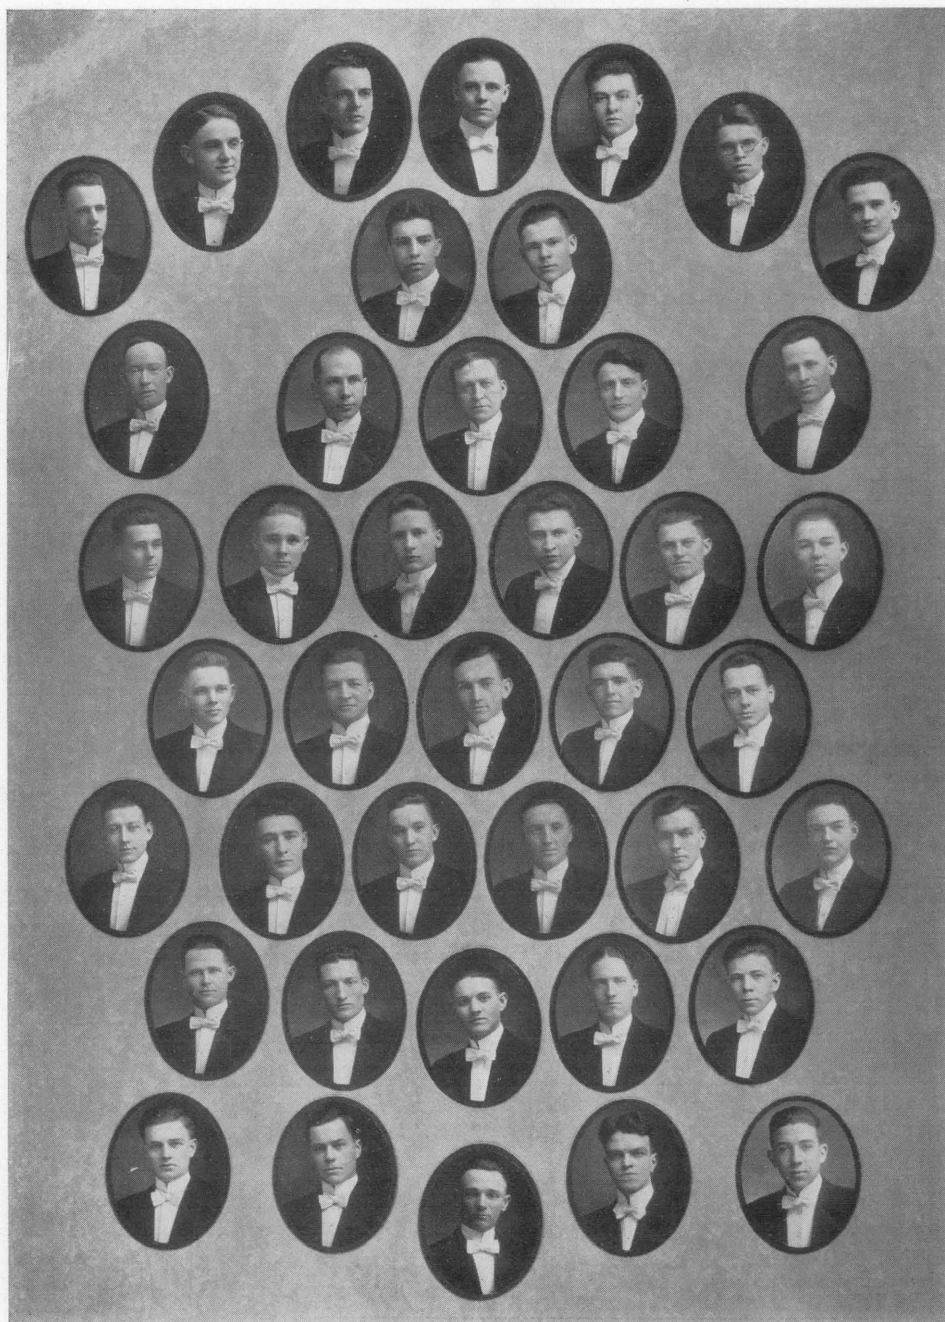

Though now we sing and to thee cling,  
Our Alma Mater fair,  
We'll sing the lays of greater days,  
Still greater fame declare.  
Then up and on 'tis but the dawn,  
Old Northern, on for aye,  
Then up and on 'tis but the dawn,  
Old Northern, on for aye.

## The Reserve Officers Training Corps

Military training at Northern is a tradition as Northern was the first institution in the State of Ohio to introduce military training. She has always maintained a high state of efficiency on military lines.

The present military organization is directly under the War Department and is known as the Reserve Officers Training Corps. This is the outgrowth of the War Department policy of using college trained men to command troops in time of war. The results obtained during the late war with Germany more than proved the soundness of the policy.

The R. O. T. C. training has as its direct aim, the preparation of the student for a Lieutenant's commission, so that in an emergency he can step into a uniform and take the field in command of troops. This, however, is not the only aim of the course. The course is arranged so as to benefit the student in any line of work he pursues after leaving college. He receives excellent physical training; training as a leader; he develops self-confidence, loyalty and a high sense of duty; he gets a clear understanding of military affairs and military history which are indispensable to a good citizen.

This college course is supplemented by periods of training at summer camps for those students who desire to better prepare themselves to serve their country. These camps are held for a six weeks period during the summer vacation and are entirely free to students, transportation also being furnished to and from camps. At the camps the training, although essentially military, is so arranged so as to give the student a pleasant vacation instead of a six weeks grind. All forms of athletics are indulged in and facilities for other recreation are provided.

The R. O. T. C. at Northern has been a live wire organization in boosting college affairs during the past year. The unit practiced organized cheering and appeared at athletic contests en masse. It took active part in all intra-mural sports, the band was ever on hand to furnish music for any occasion and by a special concert contributed a neat sum to the athletic fund and is about to produce a minstrel show.

The year's work will terminate with a three days practice march and maneuver, during which the Battalion will appear in Dunkirk and Kenton presenting special ceremonies.

A fitting motto for Northern's Military Unit would be: "*Forward March, Our College, Our Country,*"

CAPTAIN  
Arthur A. Steese

DR. GEORGE ANDERSON  
*General Secretary and Welfare Director*

## Northern's Welfare Director

Dr. George Anderson, University Welfare Director, was born in England in the year 1856, and received his education at London University and at Nottingham. He came to the United States in 1884, and has served with great success as a Pastor, Lecturer and Social Worker. His travels have been unusually extensive and he has spent many years in work for both American and British soldiers and sailors in Gibraltar, Halifax, Egypt and in many other parts of the world. Between the dates of August 4, 1914, and April 26, 1919, his entire time was given to this kind of work.

Dr. Anderson took up his work at Ohio Northern University in the summer of 1919. His boundless enthusiasm, his intense interest in young people and his very human understanding of their problems have combined to make his work a success. While his activities have been for the good of all, the foreign students have special reason for appreciation, for Dr. Anderson has been tireless in the organization and promotion of the Universal Club. He has cheered many students when they have been sick or in trouble. Any student who has been ill will never forget the helpful interest and fatherly-like attitude of the Welfare Director. Many will look back with thankfulness for the benefit received from the kindly ministrations of Dr. Anderson as Welfare Director.

### CABINET 1919-1920.

President .....	Khiva Harvey
Vice-President .....	Margery Warren
Secretary .....	Ruth Snyder
Treasurer .....	Esther J. Parson

### CHAIRMAN OF STANDING COMMITTEES

Devotional .....	Amanda Thrasher
Foreign Missions .....	Orlea Wahl
Home Missions .....	Cristel Gossard
Social .....	Kathryn Birk
Social Service .....	Arlie Matheny
Publicity .....	Wynona Love
Association News .....	Wilma McGinnis
Conference-Conventions .....	Luella Phillips
Advisory .....	Carrie A. Wilson

Another year of unusual activity and success in the life of Ohio Northern's Y. W. C. A. has just ended.

The work of equipping the Physics Laboratory in the Isabelle Thoburn College at Lucknow, India, furnished an incentive for the girls, who were glad to be of help to there "Sister College."

Esther Jane Parson and Khiva Harvey attended the Conference at Eagles Mere, Pa., for Ohio Northern. Kathryn Birk was chosen delegate to the Conference in Cincinnati in November, representing the group of four colleges, viz., Bluffton, Findlay, Defiance and Ohio Northern. As a representative of the Association, Mildred Evard attended the Conference of women held in connection with the Inter-Church Movement at Columbus in February.

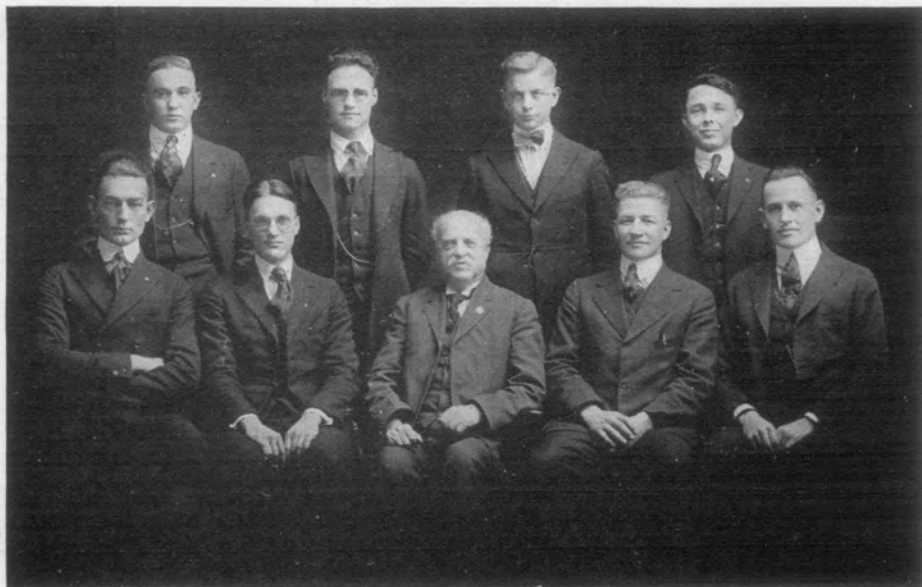

The Social Committee has not been inactive. In the spring a novel entertainment was given in the form of a poverty party. Several socials held in the Y. W. Room, during the opening week of the Fall Quarter were enjoyed by both old and new students.

Interesting Devotional meetings held from 6:30 to 7:30 Wednesday evenings have been of intellectual and moral help to all who attended. The Y. W. C. A. Room, comfortable and "homey," has been used both for devotional meetings and study. It was here that girls have learned to know each other.

With the prospects of a pleasant and prosperous year, these newly elected officers take up the work for 1920-1921: President, Mildred Evard; Vice-President, Wilma McGinnis; Secretary, Loretta Wiant; Treasurer, Orlea Wahl.

# N THE NORTHERN N

## Y. M. C. A. Cabinet

Standing—Hettish, Lane, Smith, Miller.  
Seated—Mollenberg, Johns, Dr. Anderson, Richard and Slager.

INTERIOR OF Y. M. C. A.

## Cabinet 1919-1920

### OFFICERS

General-Secretary ..... Dr. George Anderson  
 President ..... Frank Johns  
 Secretary-Treasurer ..... George A. Rickard

### CHAIRMAN OF COMMITTEES

Devotional ..... Stanley A. Miller  
 Financial ..... F. Milo Hettish  
 Membership ..... Eric D. Land  
 Missions Study ..... Geo. A. Rickard  
 Employment ..... Russell Smith  
 Foreign Student ..... K. E. Mollenberg  
 Boys Department ..... Henry Erickson  
 Social ..... Fred C. Slager

The Y. M. C. A. began the year with high ideals in view. The men sent a number of letters to prospective students, welcoming them to our home here.

In connection with the Y. W. C. A. a number of mixers have been given. These have been well attended and have been considered a success.

Devotional meetings have been held, led by members of the faculty and by ministers of the town. Many very helpful meetings have been enjoyed by all who attended.

A fine reception dinner was given in honor of Ralph Harshman early in the fall. Dr. Anderson was the instigator of this event.

The Association was fortunate in having Mr. Nelson as President, who devoted much time and energy to the work. When in November, his work became so heavy that he found it necessary to resign his office, he was followed by Mr. Johns, who took up the work and is to be commended for th  
 hard, a young man of high  
 ideals

V  
 ar and we hope that every  
 student will give his hearty co-operation to the work.

## Saint Cecilia Society

The Saint Cecilia Society of O. N. U. was organized in the fall of 1918 by the ladies in the College of Music for the purpose of promoting interest along musical lines.

The meetings of the Society are held every two weeks and very interesting programs were given.

Both musical and literary talent were given opportunity for expression. Some very interesting and intelligent papers were written on the lives of some of the great musical composers and some on the different musical instruments.

Good talent was evinced in vocal, piano, violin, and pipe organ music.

The Society is now established and will be a permanent organization for all girls in the College of Music.

Educational Association

## Ohio Northern Educational Association

The Ohio Northern Educational Association had its inception in a desire to unite into a strong force for the mutual benefit of prospective and experienced teachers an ever growing student body in the Department of Education. The first organization was effected soon after the reconstruction along approved lines of the College of Education of the University. It has filled an unique place in the life of the students in that it has afforded an opportunity to its members of broadening their range of vision intellectually, and of carrying its influences directly into their field of endeavor after completion of their course. This in itself has been of inestimable value to its members inasmuch as experiences, drawn from a broad range of thought and environment have been the subjects of discussion at the weekly meetings.

Teachers and prospective teachers are welcome at all meetings. The Association meets regularly on Tuesday evening of each week from seven to eight o'clock.

Top Row—Una Neiswander, Byron Threewits, Ruby Mertz, Iva Hines, Joyce Bailey, Lorena Pummel.

Second Row—Cristel Gossard, Clara West, Lottie Musgrave, Esther Jae Parson, Mabel Gilmer.

### HISTORY

The Choral Society has adopted the plan of giving the "Messiah" at the Holiday time. However, it was given on January 13. Miss Lucile Russell, soprano; Mrs. L. A. Greer, contralto; Clair Huber, tenor, and R. F. Brown, bass, received high praise for their able presentation of the difficult parts. "Fair Ellen," by Bruch, together with a miscellaneous program will be given for the Spring Concert.

In connection one of the most successful Artist's Course was presented this year. It consisted of Francis Ingram, contralto; Harold Henry, pianist; Isadore Berger, violinist; Zoellner Quartet, and Roy Young, violinist.

## American Association of Engineers

THE NORTH

## The American Institute of Electrical Engineers

The American Institute of Electrical Engineers is a national organization devoted to the development of the electrical industry. The Ohio Northern Branch was organized in 1912. It has always ranked high among the many engineering colleges the country over, both in membership and activity. Practically all the benefits of the Institute are extended to the student member.

During the past year an auxiliary membership was authorized giving the student who is not eligible to membership in the national student branch all advantages of the organization except the monthly publication of the Institute.

## Universal Club

The Universal Club was organized during the fall of 1919 by the O. N. U. foreign students and Dr. G. Anderson, Welfare Director of the University. Its purpose is both social and educational; social, by cultivating the spirit of friendship among its members; educational, by promoting weekly meetings where topics of international interest are discussed by members of the Faculty and prominent citizens of the town.

As it is, the Universal Club is one of the most active student organizations in the school. It has a considerable membership and is open to all University students, regardless of nationality. There are fifteen nationalities represented in the Club.

Plans are under consideration to organize athletics and to take an active part in literary work in co-operation with the other societies.

LAWRENCE SOUDERS

Winter Term, 1919-20

## OFFICERS

Lawrence Souders .....	President
Hazel Dobbins .....	Vice-President
Catherine Speigel .....	Secretary
Earl Porter .....	Treasurer
Merril Wiseman .....	Critic
Homer Blough .....	Marshal
Miss Luella Phillips .....	Reporter

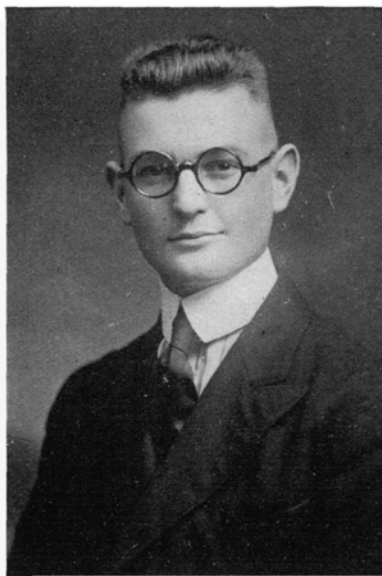

The winter term being somewhat handicapped by the "flu ban" was nevertheless a term that will long be remembered by the Adelphians. The one big special number of the term and of the year was the mock trial staged by the lawyers. This trial was given before a packed house and everyone present was given a rare treat,

Sping Term, 1920

## OFFICERS

Ben Jenkins .....	President
Earl Porter .....	Vice-President
Mrs. Reed Winegardner .....	Secretary
Lawrence Souders .....	Critic
Luella Phillips .....	Reporter

The Adelphian Literary Society has always been recognized as one of the strongest of the societies. In literary talent and athletic prowess she has no superior and few equals. As for the society itself it will continue to perform and fulfill the mission that new and willing hands will see safely through. With her anchor and shield she will counteract the onslaught of time and rise to the full realization of her motto, "Ad Astra per Aspera."

BEN JENKINS

## Adelphian Basket Ball Team

Top Row—Pealer, Robinson, Kair.  
Middle—Parker, Wolfe.  
Bottom—Miller, captain.

The Adelphian Basketball Team upheld the standard set by the Adelphian Teams in the past. They retained the championship which the Society has held for the last five years. They defeated the other Societies in hard fought games.

The team was piloted by Icky Miller. The team will furnish valuable material for the Varsity squad next year.

W. E. MAYER

Summer Term, 1919

### OFFICERS

W. E. Mayer .....	President
E. D. Lane .....	Vice-president
Grace Schubert .....	Secretary
C. E. Reynolds .....	Treasurer
E. H. Reed .....	Critic
F. A. Terrel .....	Chaplain

Many contributions were made to the success of Philodorn during the summer term. True literary merit was portrayed. Much of the success of the society was due to the efficient direction of President W. E. Mayer.

Fall Term, 1919

### OFFICERS

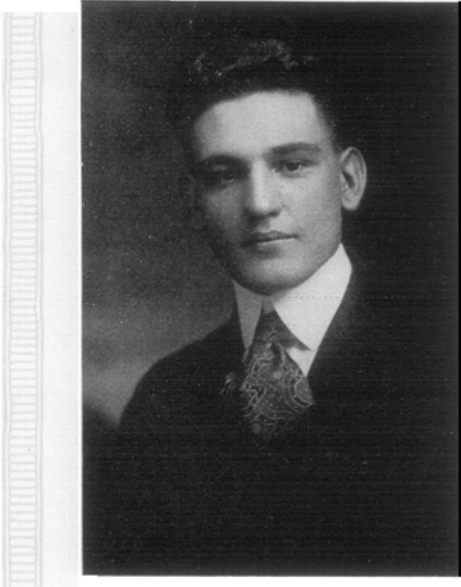

C. E. Reynolds .....	President
K. E. Mollenburg .....	Vice-President
Ruth Snyder .....	Secretary
R. S. Stephens .....	Treasurer
Fred Slager .....	Critic
H. Hauver .....	Chaplain

The fall term was filled with inspiring enthusiastic literary work. The Philo girls came out in true fashion and showed the boys how to debate. An orchestra was organized which has added much life to the society. The president is to be congratulated for his work which was thorough and helpful.

C. E. REYNOLDS

# Philomathean Literary Society

R. S. STEPHENS

Winter Term, 1919-20

## OFFICERS

R. S. Stephens .....	President
Cristal Gossard .....	Vice-president
Mary Cotner .....	Secretary
E. H. Thomas .....	Treasurer
F. C. Slager .....	Critic
H. Hauver .....	Chaplain

The literary work of the winter term was handled with vim and vigor. The orchestra which was organized during the fall term was reorganized and added much zest to the meetings throughout the term. A number of conjoint meetings were held with the other literary societies thus showing the spirit of co-operation. Although the term's work was broken up somewhat by the Christmas vacation and the "flu ban," the society enjoyed a prosperous term under the leadership of Mr. Stephens.

Spring Term, 1920

## OFFICERS

L. King .....	President
H. Hauver .....	Vice-president
Grace Ingledue .....	Secretary
R. Dobbins .....	Treasurer
F. C. Slager .....	Critic
H. Hauver .....	Chaplain

Under the guidance of Mr. King and with the aid of the Philo orchestra and the promising talent of the society we can hope for a very promising spring term.

## O. N. U. Debating Society

Several years ago, in conformity with the desire of a number of Colleges of the State, the Ohio Northern University entered the conference of College debaters. Some time, owing to the reduced attendance, especially of young men who joined the army and navy, activities in this line were suspended. Last fall the young men returned from the war, consequently a call was made for the reorganization of the Debating Society. During the fall term the society was reorganized and elected the following officers: President, Fred S. Slager; Vice-President, Ben Jenkins; Secretary-Treasurer, John B. Osmun; Professors Freeman, Niswander and Wier were chosen as Faculty Coaches.

Meetings were held each week throughout the year on Tuesday evening. Debates were held frequently, discussing many live questions of the day. On February 19, tryouts were held to select representatives for Northern's part in the coming contests. The result was the selection of John B. Osmun, Captain; R. B. Ford, David Thomas and Floyd C. Cook, alternate, to meet the affirmative team of Otterbein University. Lawrence Souders, Captain; Harold Freeman, Fred Slager and Ben Jenkins, alternate, were chosen to meet the negative team of Mt. Union College.

March 25, the affirmative team of Otterbein University appeared here. The contest was held in Lehr Auditorium. Ray M. Johnson, Walter N. Roberts and Virgil Willett, ably, and the judges said successfully, maintained the affirmative side of the following question: "Resolved, that the Government should fix the price of food."

The same date the O. N. U. affirmative team met the Mt. Union negative at Mt. Union, the contest resulting in a defeat for our boys. Nevertheless, even in this double defeat our boys worthily and creditably upheld the traditions of old Northern.

## Gymnasium Directors

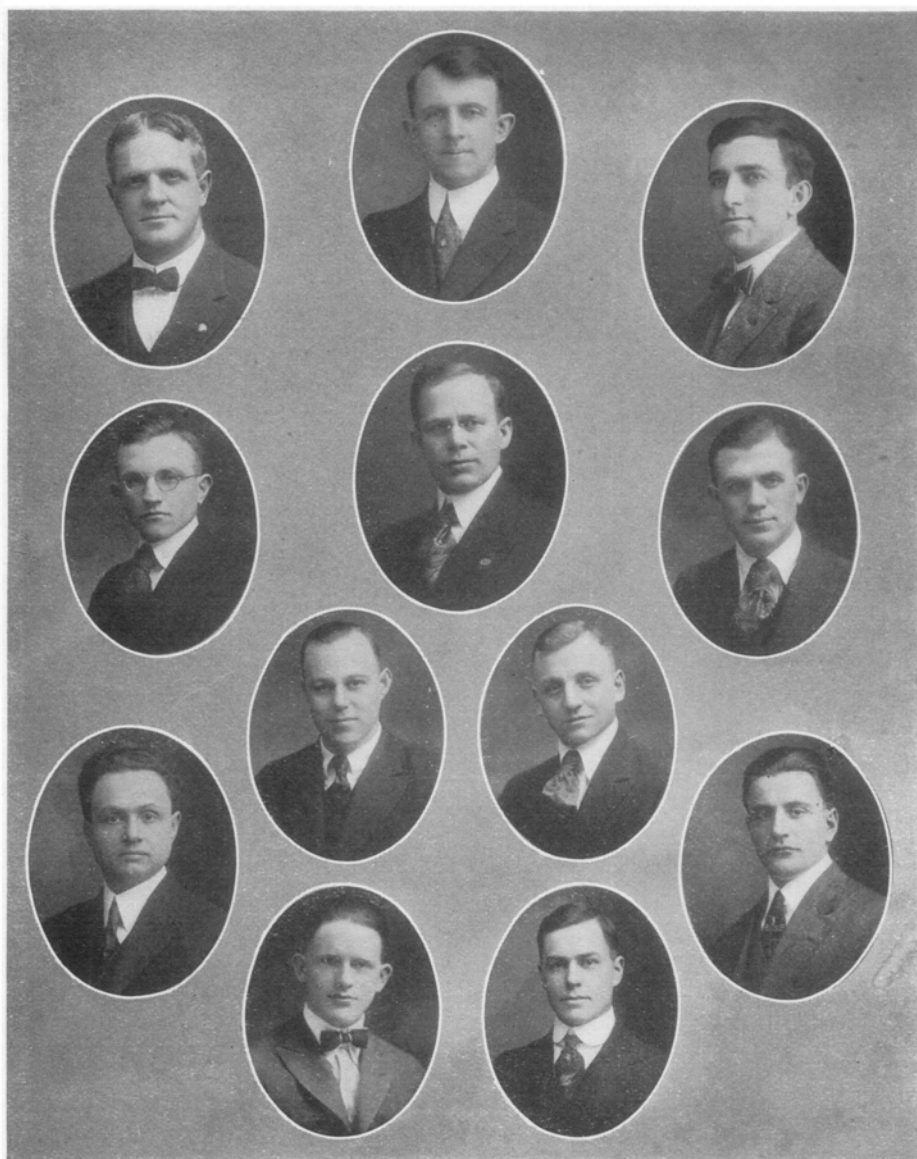

First Row—L. W. Reese, Boxing Director; W. M. Ferris, Men's Class; R. F. Brown, Girls' Class; Ferris, Men's Class.  
Second Row—W. H. Patton, Manager of Gymnasium Work; C. W. Bolen, Director; Elleby, Wrestling Instructor.

### CHARLES W. BOLEN

Coach Bolen came to us well recommended. He was a leader in athletics at Lima High School. Later, he won a name for himself as a basketball player with Lima's famous White Stars. At Ohio State he won his letter playing end with the football team that took the scalps of all the Western colleges. All sport writers placed him as the best end in the West. Even the Eastern Walter Camp put him on the All-American eleven. While in the service stationed at Princeton University, he was chosen to coach the Princeton aviation team, which covered a season of no defeats from such teams as Harvard, Yale, Cornell, and others.

"Shifty" has made just as enviable a record for himself at Northern. He has reorganized athletics here, trained and coached green and inexperienced teams, ones that have made a record for the University. He is a regular encyclopedia of athletic knowledge and knows how to give it out to his players. He is a devoted, optimistic, and sincere worker, an upholder of clean athletics, and a man well liked by his men as well as the student body.

B. A. Kates	R. S. Lyman

The Varsity "N" Association is a society composed of men who have won their "N" in athletics at Northern. Its purpose is for the betterment of athletics and to promote university spirit through athletics. It has done much towards keeping up the standard of Northern's athletics and to create an interest in the various collegiate sports.

**"PROF." LENOX CRAIG SLEESMAN**

Northern is exceptionally fortunate in having such a man for Faculty Manager of her Athletics. The problem of "terminal finances" has bothered many a manager, but we find "Prof." always on the job and what is more he solves the problems. To have good Athletics we must have a good manager and "Prof." certainly fills the bill. He is known throughout the Ohio Conference as one of the best Faculty Managers in the state. This is easily proven by the creditable way in which he keeps Northern's Athletics on the map.

**"RED" PUGH**

"Red" as student manager would make a fine "cop." When needed, he was never to be found. His assistant did the work and he walked off with the "Bacon."

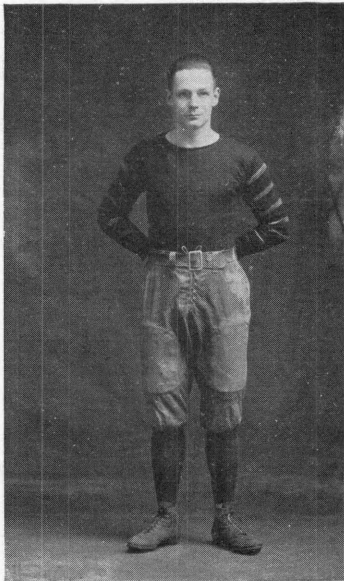

**"PAT" PATTON**

"Pat" as assistant student manager handled the various duties of his position creditably. He was "Prof.'s" right-hand man in administering to the wants of the "pig skin hounds." He was always on the job and could be depended on by everyone connected with the team. "Pat" knows the work now and we are expecting him to do great work next year as manager.

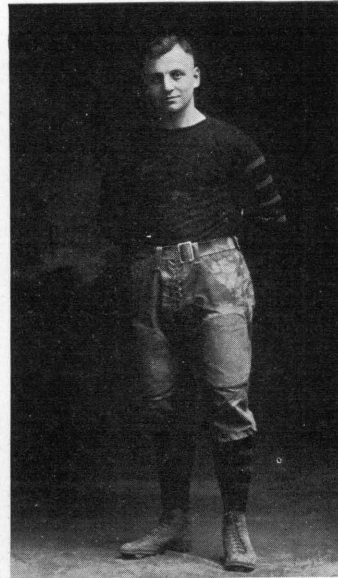

"GERALDINE" GEROLD

He made an enviable record for himself as well as the team. He was a clean, hard player and put forth his best efforts at all times. His playing was feared by his opponents and admired by all football fans. "Geraldine" graduates this year and it is with regret that we lose him.

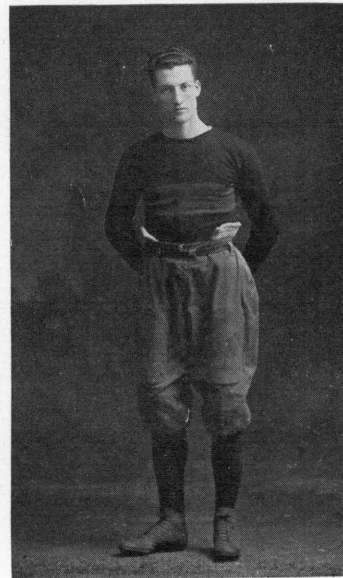

"ELI" MAIN

"Eli" admirably showed himself an efficient and hard line hitter from the first. His playing this year far overshadowed that of last season. Eli is an Ada product and the city as well as the students of Northern can well be proud of his splendid work on the gridiron.

"DAGEY" DAGUE

Captain-Elect Dague played a good game of football. We are expecting much greater work from him next year. With his experience of this year, he should make us a fine leader of the squad next season. Dague is a Junior in the College of Law.

# THE NORTHERN

"NEWT" HOLMAN

"Newt" played a good brand of football. He played clean, hard, and fast. He was always on the job and could be depended on by his fellow players to do his part. "Newt" is an Ada product also. Such playing as he did goes far towards making Northern a feared opponent to be met on the football field.

"NARDY" MILLER

"Nardy" knows the game of football and plays it creditably, too. He is a good conscientious worker and an all round good fellow. "Nardy" will be with us next season and we are looking forward expecting some great playing from him. He was one of the pillars of the team.

"BOBBIE" KATES

"Bobbie" held his own when it came to hard playing. Another mainstay of the team, and a dependable one, too. "Bobbie" was a good player, better than he thought himself to be. He, too, will be back next year.

**"BULLET" HILTON**

"Bullet" has proven himself well worthy of the name with which he has been dubbed by his companions. He was an aggressive player, always on the job with plenty of nerve to face the worst opponent.

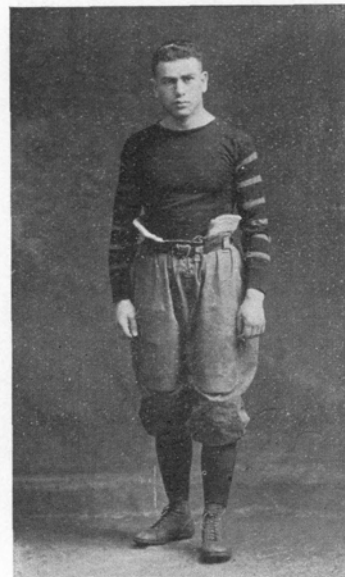

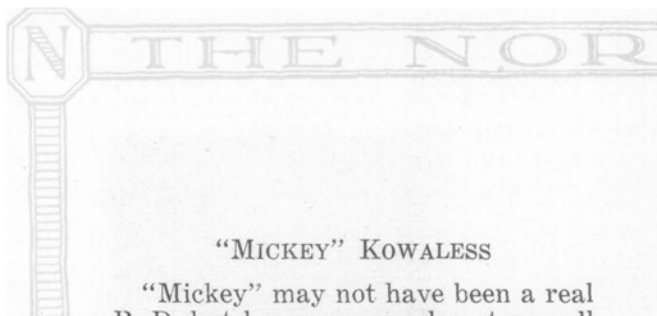

**"HESS" FLORIDA**

"Hess" suffered much bad luck on account of his ankle. He did good playing. If he couldn't go through the line, he went over it.

**"BUCK" SIEGLE**

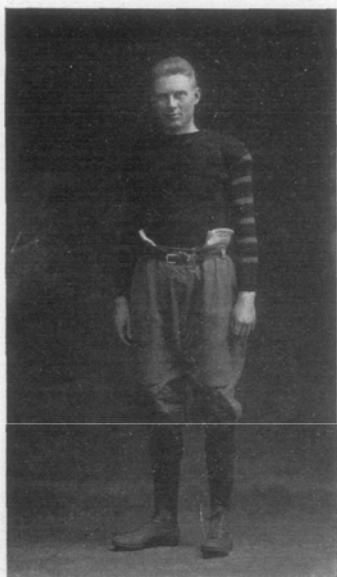

He was a hard working, dependable player, one that could always be depended on. Where the fight was thickest, there "Buck" could be found. He will play on the team next year.

### "MICKEY" KOWALESS

"Mickey" may not have been a real P. D. but he was a regular stonewall of defense. He could hold his own against the strongest of opponents.

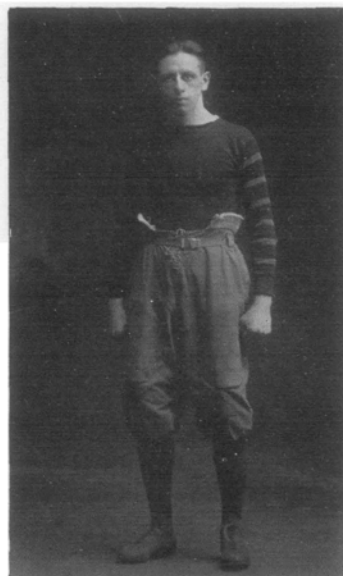

### "RED" DARNELL

One quarter and "Red" would have had his letter. And talk about a hard hitter, the fellow that he hit at Wesleyan is aching yet.

### "HEINIE" SILVERMAN

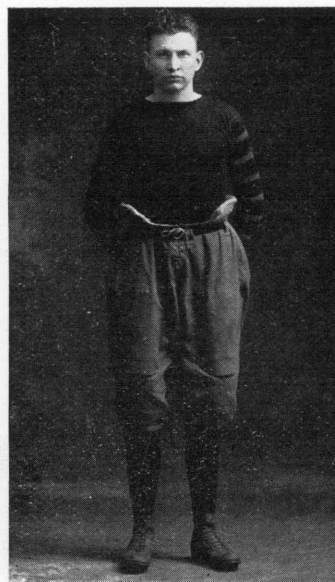

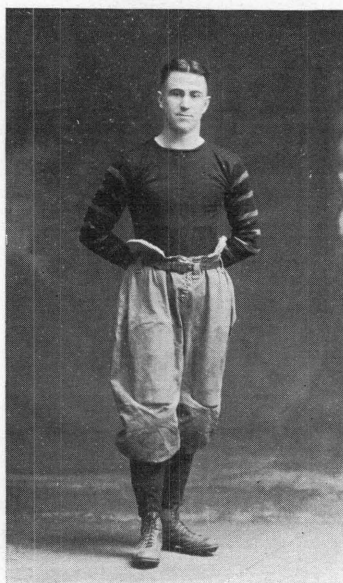

Playing with the boys for exercise is great sport. Towards the latter part of the season, "Heinie" woke up to the extent that he decided that he should have a letter.

**"HINDOO" REESE**

"Hindoo" liked to chase the pigskin, and played a good brand of football. He was the only member of the M. M. C. on the team. This is his last season at Northern.

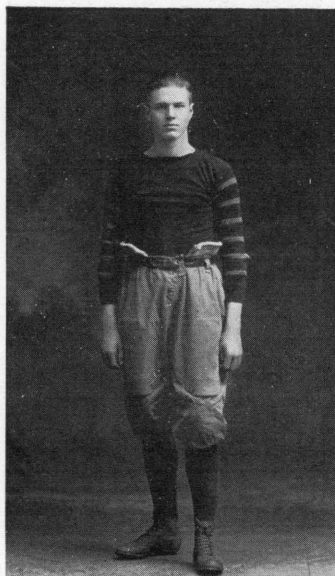

**"GIBBY" GRIEBLING**

When it comes to catching forward passes "Gibby" was there. He knew the game and worked hard and consistently at it.

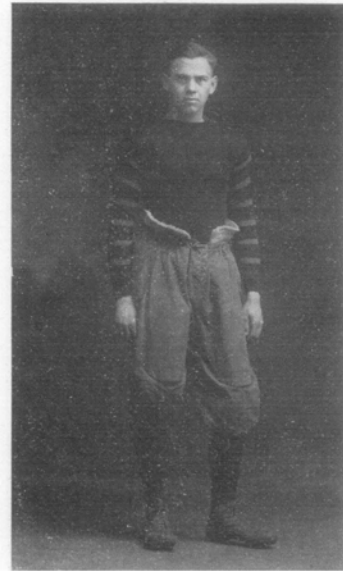

**"WOODY" SEITZ**

"Woody" played well. He will be a fine asset for next year's team. We are hoping to see more of his work then.

**"PEACHES" KUHNS**

"Peaches" knows the game and can play a good strong one. He is a Junior in the College of Engineering and will be with us next season.

**"TOMMY" TAYLOR**

He was a hard worker and was right on the job all the time. We are expecting "Tommy" to be one of the mainstays of the team next year.

**"Bus" BUSTARD**

During the first part of the season, "Bus" was learning the game, while later on he showed some mighty fine playing as the result of his work. He will be on the team next year.

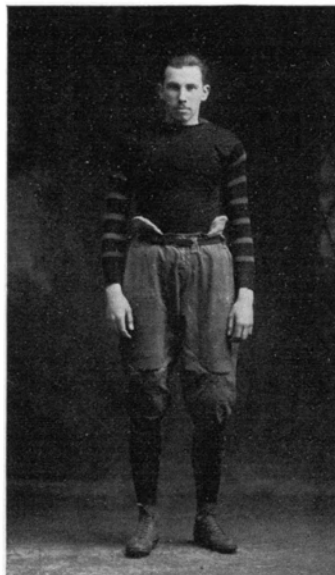

### "SLIM" RYBACK

At end and backfield, "Slim" was a most able substitute. He will be with us next season.

Sterling, Davies, Spellman, Burgess and Gipson were out for part of the season, but did not participate in many of the games. They did some good work and made fine substitute material.

### FOOTBALL SCHEDULE FOR 1920

Sept. 25	.....	Defiance
Oct. 2	.....	Miami
Oct. 9	.....	Mt. Union
Oct. 16	.....	Otterbein
Oct. 23	.....	Heidelberg
Oct. 29	.....	Kenyon at Lima
Nov. 6	.....	Wittenberg
Nov. 13	.....	Toledo University
Nov. 20	.....	Hiram
Nov. 25	.....	Ohio University

## Foot Ball Review

Our 1919 season opened with a large number out for the Varsity squad. After a few workouts a number lost their pep and quit, a few got hurt and were forced to quit, until the time of the first game rolled around there were only barely enough men to make two teams. Many of these were raw and knew very little about college football. However, these men fought well to keep the University on the football map and we can be justly proud of them and their efforts. The team, management, and several of the players individually received praise from the press, opponents and officials.

The season opened with Toledo University here. Northern won by a score of 13-0. This game was a good one to test the team and find the defects before hitting a heavier team.

Our first loss was to the heavy Dennison eleven. Northern's team, averaging about twenty pounds lighter, lost to Dennison 37-0 but in doing so gave the heavy team some scares and work for their gains.

Through a case of apparently chilly weather, Northern lost to Detroit 35-3 score.

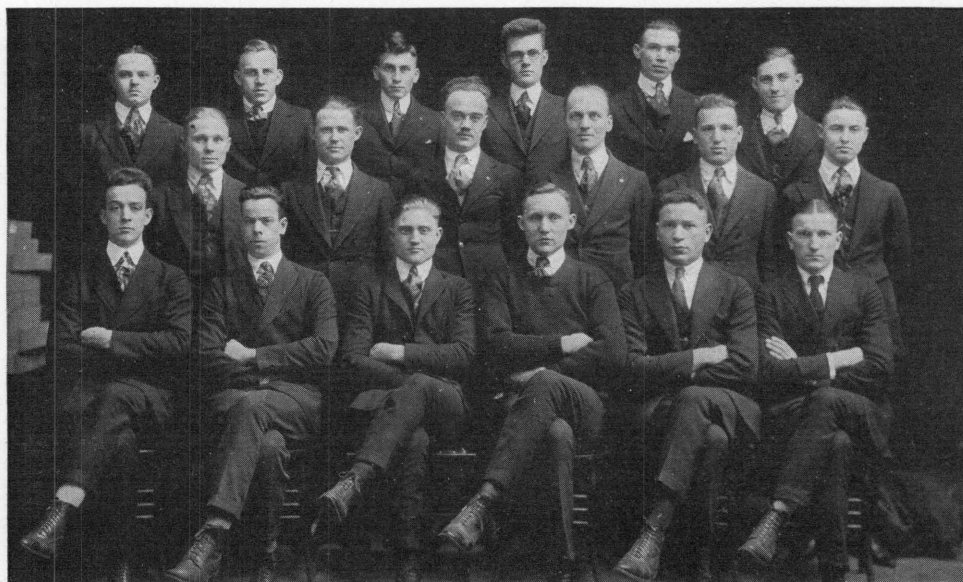

Northern lost the next two games fighting clean and hard. First, to Akron, 24-0. The Rubber City people gave our men praise aplenty for clean playing. Next, to our ancient rival, Wesleyan, 34-0.

Wooster won a 13-0 score from us in a veritable sea of mud, water and rain.

To Miami we lost 60-0. Our men fought hard but to no avail against the weighty Mimi eleven.

Northern showed her strength in her last game by holding the strong fast Heidelberg team to a score of 14-6.

We can look forward to a very promising season next year as only a few of the boys graduate, besides we have some mighty fine Freshmen players who know the game.

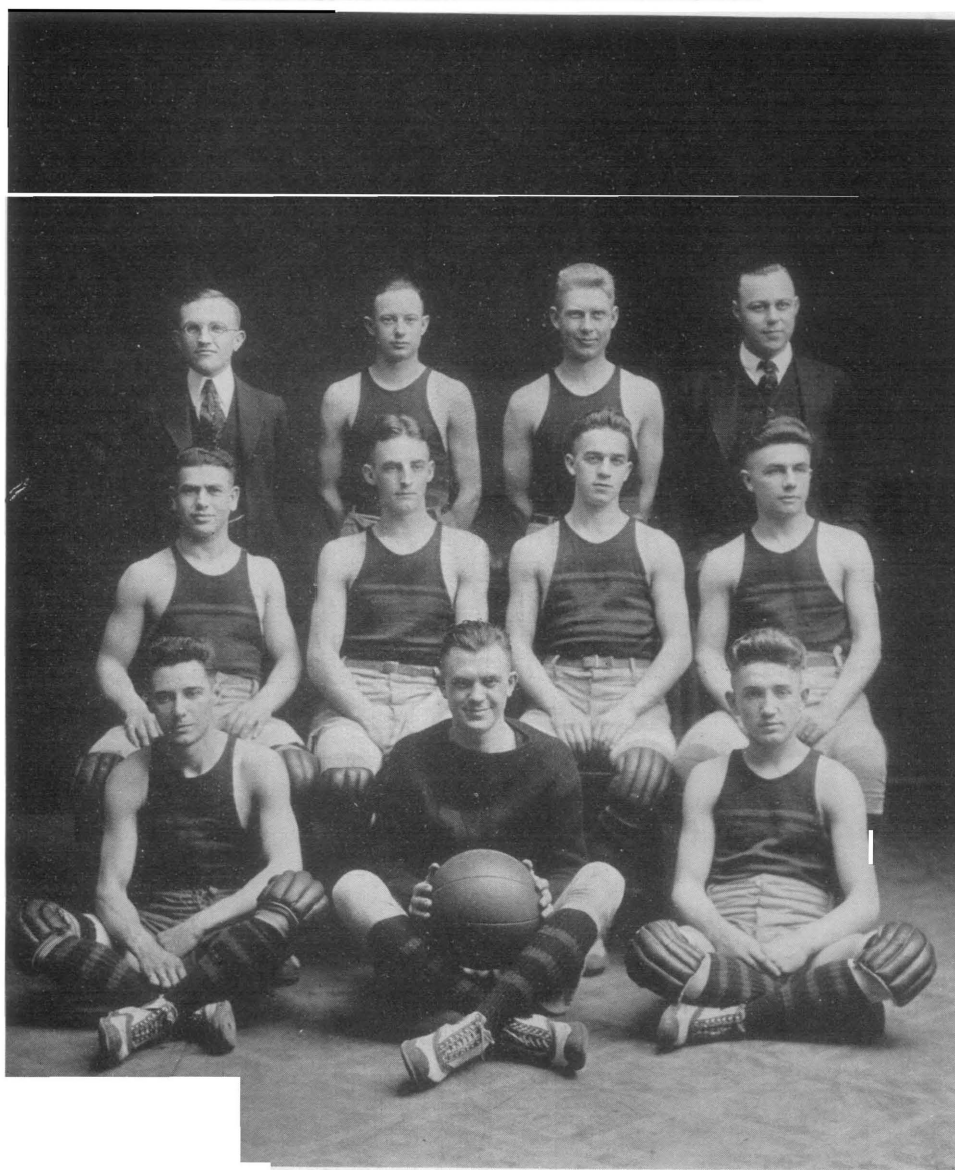

Lewis, Cummings, Sickles, Alberta, Robinson, Gerhart.  
Gehr, Sawyer, Johns, Pierce, Kuzmaul, Rohe.  
F. Ferris, W. Ferris, Swisher, Pealer, Bernstein, Elleby.

## Freshman Foot Ball

These men came out and worked hard. They were there to learn the game and help the Varsity in practice. They showed the spirit and ability that are required to make successful football players. We look forward to the work that they will do in the ranks with the Varsity next season. It is then that we hope to see them do their best work and to see them receive the full recognition for their meritorious work which we know they are capable of doing.

## Varsity Basket Ball Squad

Lyman, Downing, Darnell, Bolen.  
Seigel, Kair, Kates, Berta  
Miller, Holman, Roth.

## Basket Ball

### "SI" LYMAN, Manager

"Si" was always on the job and looking after his men. Nothing was overlooked that would be a help to the players or for the convenience of the fans who watch the game. By these things he showed his ability as a manager, and he did his work well.

### "NEWT" HOLMAN, Captain.

"Newt" was a good captain, which is shown by the fact that he led a team which made a record for itself and could hold its own with its opponents. He is a veteran on the basketball floor. No one could doubt this statement after seeing his fast playing and the creditable way in which he could handle that ball.

### "BOBBIE" KATES

Captain-elect Kates played a good game at all times. He knows the game and could be depended on to do his part. "Bobbie" was one of the high scorers this season, winning praise from the press. As leader of the team next year we are expecting some great work from him.

### "BUCK" SEIGLE

"Buck" could be depended upon to handle his man no matter how much larger he was and when they came together you could bet on "Buck" coming up with the ball. He will be with us next year, which means that basketball fans have some treats in store for them.

### "NARDY" MILLER

As a guard, "Nardy" was a winner. He could be depended on by his fellow players to be at his place and on the alert at all times. "Nardy" will also be one of the headliners for next season.

### "TONY" BERTA

"Tony" handled the ball in a clever manner. He played a clean game, up on his toes all the time, and there is no doubt but that he kept some opponents on their toes, too.

### "BILL" KAIR

"Bill" played a good game of basketball. He was an able and worthy substitute, being able to play any position on the floor, and do it well.

### "JOHNNY" ROTH

"Johnny" can fill a place on the floor, doing some fast and spectacular playing at times. If ability as a pugilist is necessary for success as a basketball player "Johnny" would be a star.

## Basket Ball Review

Northern started the season off well by winning her first game from Bluffton 19-8.

Following this, they lost to Wooster 30-20. This was the first Conference game of the season, being played on their floor.

The game with Miami here seemed to be purely the result of luck. During the last ten minutes of the game the teams kept alternating in the making of baskets until the pistol shot, Miami had shot the last basket, thus winning 28-27. Meeting Miami on her own floor Northern lost to them 21-12. On the same trip, Cincinnati won on an overtime game 21-17.

Heidelberg lost here to a score of 27-20 and on their own floor **34-22**.

Northern lost at Wittenberg 49-15 but gave the Lutherans a run for their money when they came here as they went away with a margin of 34-32.

At Berea, our sister college took a drubbing of 25-29, while Hiram got it **42-17**.

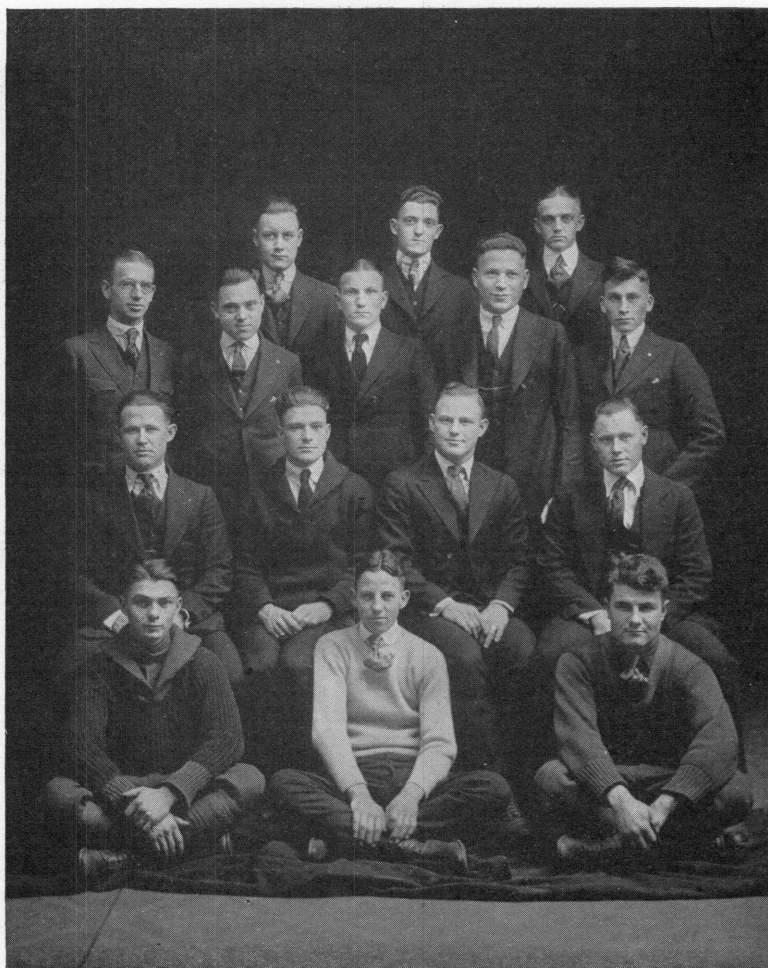

The Lima boys on the Kenyon team wanted to show their home folks what they could do. They challenged Northern to a game at Lima and got it, not the game, 39-17.

The season closed with Northern holding seventh place in the Conference. This was a good record considering the fact that the captain was the only old man on the team. Then too, the games with Miami and Wittenberg here and the Cincinnati games seemed to be largely the result of luck.

Our prospects for next year are exceedingly fine, with all of the old team except Holman back and with the material in the Freshman team Northern should have a team that would be the fear of the Conference.

## Freshman Basket Ball Squad

Wolfe, Money, Kair.  
Brown, Moorman, Ellenbye, Bernstein, Sickles.  
Sawyer, Parker, Churchill, H. Churchill.  
Roberts, Miller, Clum.

### FRESHMAN BASKETBALL

Quite a large number of men turned out for Freshman basketball. They worked and developed a good group of players who will help to make for a winning Varsity quintet next year and they will then be where they can be given the reward to which they are entitled.

## Varsity Base Ball

Back Row—Buchele, Winegardner, Ryback, Coene, Cotner.  
Sleesman, Kaufman, Pealer, Frisbie, Bustard, Bolen.  
Dague, Wiseman, Farrow, Groves, Hunsicker, Martin.  
Berta, Miller, Pace, Griebbling, Niswander.

As the "Northern" goes to the printer, the prospects for a winning baseball team are fine. The men are doing good work and a good all-round line-up is out. Coach Bolen has the following players to pick from: catchers, Dague and Pace; pitchers, Main, Berta, Pealer, and Bustard; first basemen, Frisbie and Groves; second baseman, Miller and Niswander; third basemen, Griebbling and Coene; short stops, Hunsicker and Buchele; fielders, Martin, Farrow, Wiseman, Kaufman, Ackerman, Bochenek, Winegardner, Thomas, and Rybak.

While Hunsicker, Main, Dague and Martin are the only old Varsity men out, these with the new men will make a nine that will be able to hold their own with any college team in the Conference.

Several other conference games were scheduled with strong teams but owing to the change in the college calendar for the spring quarter they had to be cancelled.

THE NORTHERN

## Sons of O. N. U.

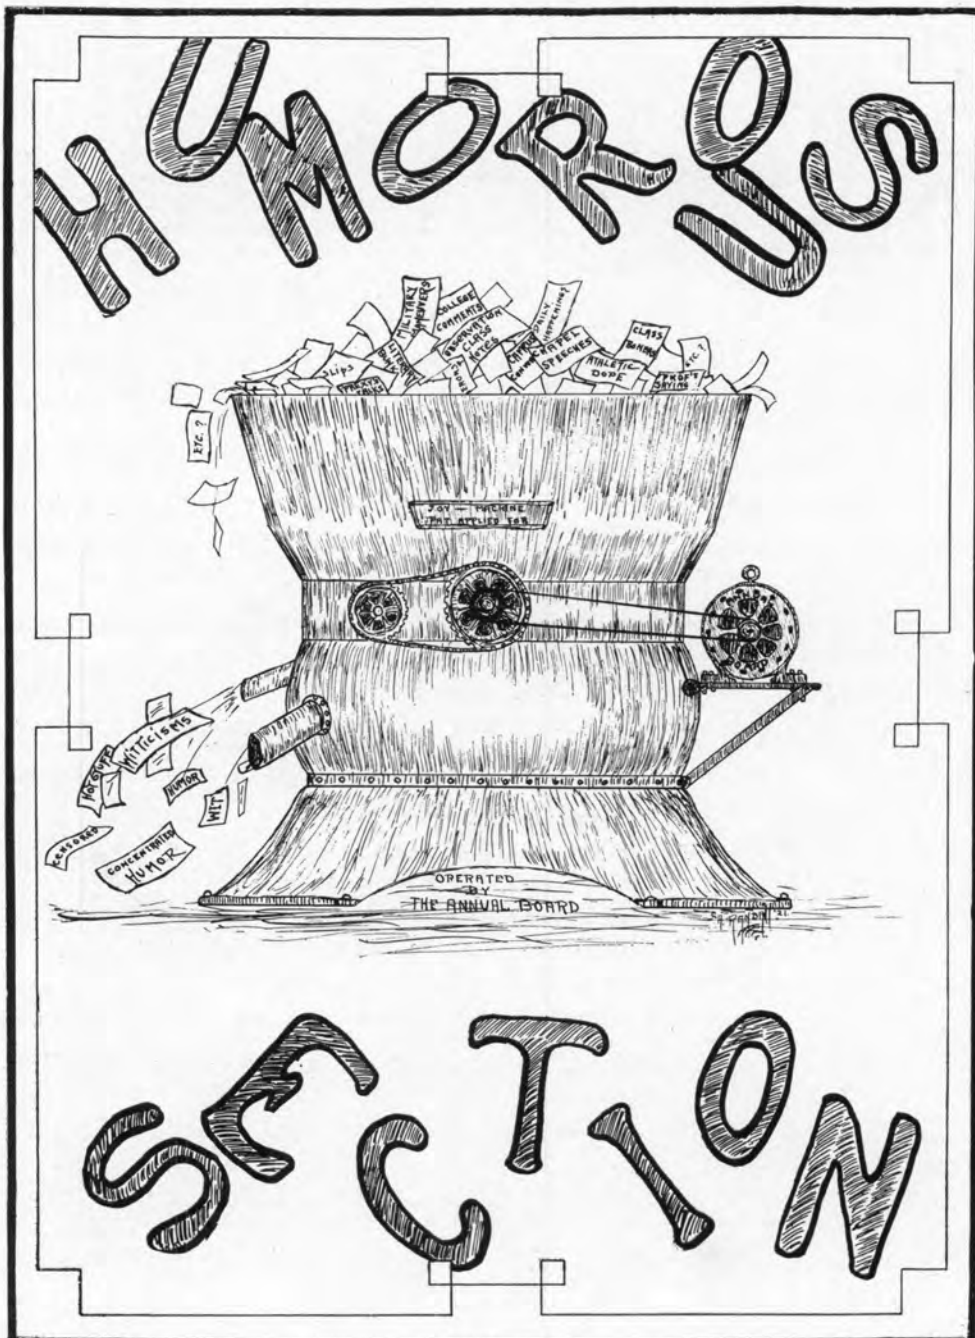

Hark to our song, help us along,  
Our college praise to sing;  
Blend with our voices the sound prolong,  
Let every one join in.  
Rally brave sons your flag to defend,  
Stand by your colors nobly contend,  
You are the ones on whom we depend,  
Valorous sons, arise.

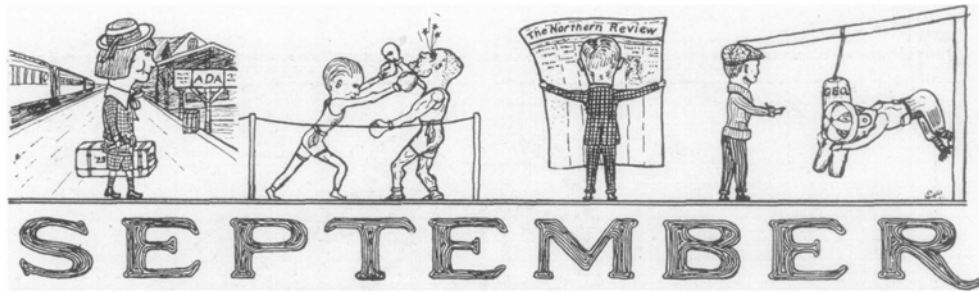

Sons of old O. N. U. Dear O. N. U. arise,  
Protect your college flag. Unfurl it to the skies,  
We'll be her loyal sons, faithful and true,  
We'll fight with might to gain the right  
For O. N. U.

Fight for the flag, glorious flag,  
Banner of orange and black;  
When it's assailed, what coward will lag?  
Come with a loud hurrah,  
Boldly to fight the foemen defy,  
"Northern forever," long be our cry;  
You are our might, on you we rely,  
Sons of dear O. N. U.

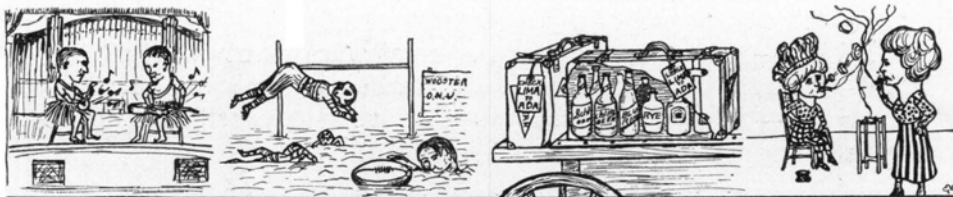

Fred T. Killeen.

- 8, 9. Fair city of Ada comes back io life. Old students are still enjoying vacation. A great number of the species known as Freshmen on hand.
10. Doctor Anderson, the new Welfare Director, holds a big mixer. Boxing main feature. The new coach gives a talk. He is an Ohio State star.
12. Old students rolling in, one by one.
13. Northern Review stages a come-back after the war. It's a live sheet.
15. Football men turned out today. 34 of 'em. New coach introduces them to George, the Dummy.
17. Sang Prexy's favorite song in chapel, Rumor discredited that we have chapel only once a week.
20. Lawyers are ordered to drill. Whew!
21. Every one goes to church and Sunday School today?
22. Every one goes to the early class Monday (like they did to church yesterday).
23. The football men are having a losing fight with George, the all Ohio Dummy.
24. Northern Review number dedicated to the Lawyers. So many good things said about them that the Engineers think it is all false.
25. Saw a Freshman wearing a high school letter. The same bird strolled to the football field. He is a sadder but wiser Freshman now.
26. Northern has the best military band in years. Lane and Mike Maz- zula are at the head.
27. Toledo University is beaten by Bolen's warriors. A little celebration in the evening.
28. Sunday. A lot of homesick students today. A number write home. The first month is the hardest.
29. The Pill Rollers roll in today. They are a merry bunch of students. Question (mark) about the students however.
30. Rev. Mink gave a fine talk in chapel. Rumors that Rev. Mink will marry a co-ed at Hiram College. The chapel bell rang. It is sure a nice thing to have an eight-thirty class.

## OCTOBER

1. This week in preacher's week. Rev. Slack of the Presbyterian church gave a stirring talk at chapel. He is a favorite with the students. He umpires the base ball games in such a fair way that neither side kicks.
2. Today the Methodist minister, Rev. Shank, presented some good points on the choosing of life work. He never misses a football game.
3. The team went to Granville to play Livingstone's huskies. The student body was entertained by Somers and de Leone. They gave a fine presentation of Hawaiian music.
4. Team was beaten by the Dennison eleven.
5. This town is very nice and quiet on Sunday. Students either go to church or stroll out to the Cemetery. It is also a very quiet place.
6. Blue is the day called Monday.
7. Engineers hold meeting. Quigley elected president. The Engineers believe in organization all right.
8. Rumor has it that soldiers and sailors will receive credit.
9. I. O. O. F. scene of an Engineers' smoker.
10. Team leaves for the home of the Ford. They play the University of Detroit.
14. It is in the Review that certain Sorority girls are indulging in the use of the vile Cubeb. Women are coming into their own, if you call it that.
18. Quite a few students go to Lima. Saturday costs more than any other day in the week. The time immemorial suitcase is being discarded.
23. Air is full of buzzing concerning the Senior election.
24. Slager was elected president of the Senior class. Zip.
26. Universal Club opened tonight. There are sixteen nationalities represented.
29. Junior Pharmics staged a Hallowe'en party at the K. of P. Hall.
30. Three weddings this week, Stamm, Miller, and Finley. Co-education is not the only thing that we get at College.
31. Rain, more rain, most rain, but it takes more than rain to dampen Northern pep. Team was beaten by Wooster in a water polo game. No one was drowned.

"Si"—"A woman can't keep a secret."

Ethel Mc.—"I have kept my age a secret since I was twenty."

"Si"—"Yes, but one of these days you will just have to tell it."

Ethel Mc.—"Well, I think that when I have kept a secret for ten years I come pretty near knowing how to keep it."

I. P. A. Worker, (meeting Cope in hall)—"Are you against liquor?"

Cope, (in guarded tones)—"No. Got any on you?"

#### HEARD IN BIOLOGY

Mollenberg—"Are there two individuals alike in the world or are animals always changing?"

Prof. Huber—"No. There never are two individuals which are alike. For instance, there never was and never will be another individual like you."

Voice in rear (fervently)—"Thank God for that."

Dr. Davidson: What causes old age?

Normal Student: Growing old.

#### SEEN IN ADA CEMETERY

Look at Adam. What have we done for Adam? What has Adam done for us? Everything. He gave us life. He gave us death. He gave us Heaven. He gave us Hell.—Mark Twain.

The Lawyer's Jazz played softly

"Kiss Me Again."

She gazed into his eyes

And breathed a sigh,

"Your dancing is like a poem,"

She said.

"Yes, yes, go on," he

Murmured.

"An O. N. U. poem;

The feet

Are all mixed up,"

She answered.

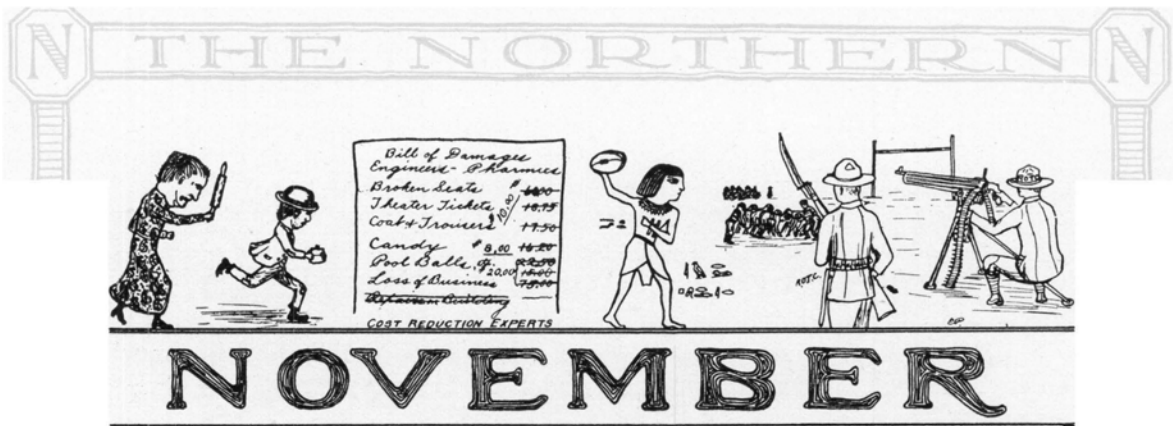

The M. C. C. is growing and doing its job well. Citizens of Ada are saying they no longer watch the love scenes at the movies, preferring to watch the college cases in the audience.

Prof.—"Capital is always wealth, but wealth is not necessarily always Capital."

Budding Socrates—"That is rather a fine point of distruction, is it not Prof?"

Prof.—"Do you think so, why?"

Budding Socrates—"Well (stalling for time), I asked you first."

1. Students again flood Lima this Saturday. They took the Northern Review advice, however, and bought a round trip ticket.
2. A lot of excuses have been written for money. Wonder if Dads are wise to the fact that half of the money they send is for other uses than school books or boarding houses.
6. Football men only persons who are working hard these days. I would like to see a movie of what a football man thinks about when the coach tells him to run around the field 10 times.
8. Tex Gipson breaks his arm in Miami fray. The Miami co-eds take good care of him.
10. The married men of the University organize a club. It is a timely organization. The pledges of this organization are students who are engaged.
11. No school today. It is not legal, however. Prexy gives fine address in front of Lehr. R. O. T. C. students are made to listen as they were in formation. In the afternoon A company beat C company by a score 6 to 0.
12. Prof. Berger addresses the Y. M. C. A. meeting. Prof. can talk about something besides Physics.
14. Literary Societies held conjoint meeting. The much discussed league of nations was again discussed. It was not settled. Prof. Weir gave a very good criticism of the debate.
21. The Engineers and Pharmacs make merry. They saw Mary Regan at the Odeon after a few preliminary setbacks. They are good economists when the occasion demands.
22. Heidelberg wins over our team by slight score. Very exciting game according to the Tiffin papers. Our artist read their paper and the above was his impression.
23. Students have good excuse for attending the church services as they are "boning" for the exams. Quizzes and midnight oil.
- 24-26. Examinations, that's all.
27. All students that are not too far from home are out of town. The team ate crow instead of turkey, however.
28. A little vacation now and then is relished by the best of men, also co-eds.

## Worn Out Sayings of the Profs.

Dean Miller: "Yeah, that's about right. See that! Nothing much to it, is there? Just pass a plane and then take moments, just simple moments, that's all."

Prof. Elbin: "I'm sorry this is so dry that you can't all keep awake."

Prof. Beckwith: "The secosent alpher=(cocessent bater+1) cosecant gammer. Now then let's see, let's represent that with a figure. Shall I put alpher here or there,—Yes! let's take alpher here."

Prof. Turner: "Ahem. Who can tell me—AHM—how equation 19, page 23456, Art 5432, is derived? Ahem! Nobody. Well, AHM! let's see AHM! he takes ---- !!!! :::: xx@ \* Lc \*\*\*\* v o. (Explanation all Greek.) Very simple formula."

Prof. Needy: "All right? Now let's see; check that with your slide rule somebody. Is it all right? A slide rule is very accurate when used correctly."

Prof. Berger: "Now, let us assume——"

Prof. Slesman: "I want you to learn those valencies, every one. If you don't know them you're out of luck. And the atomic weights. Don't get discouraged, just plug away."

Prof. Huber: "Paradoxical as it may seem."

Prof. Trainum: "I shouldn't be surprised." "Now, I wonder." "My wife and Rex."

Dr. Davison: "Outside barbarians." "Give five reasons." "I live in Lima, the heart of the world."

Prof. Freeman (Staring blankly into space): "Yes, yes, yes, yes."

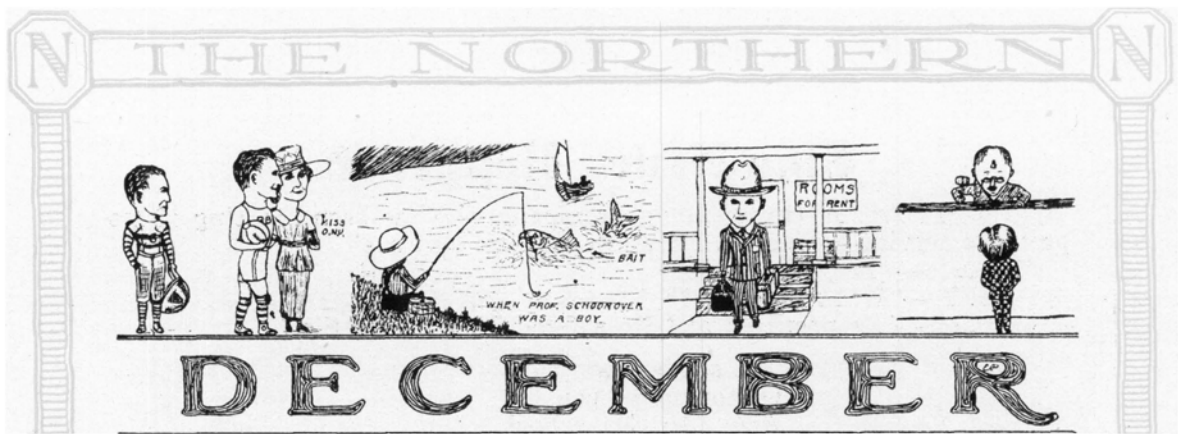

Prof. Wier (Defending the League of Nations): "England will not get six votes. She will get one just the same as the U. S."

Miss Wilson: "We girls." "My faithful few."

Prof. Long: "Well! Let's get quiet."

Miss Blain: "What can I do for you?"

1. Students returning from Turkey Day feel homesick blues more than any time during the year.
2. Basketball practice started this evening. Large number out.
3. One hundred new students enter this term. Quite a few of them sent here by the government.
4. Most of the old students have drifted in to school and classes.
5. Number of students changing rooming places this term as they are looking for warm rooms.
7. Snowing today. Maybe that is the reason so many students were not in church.
10. Engineers have movies. Seems like Engineers have great desire for the cinematograph. Nuff Sed.
11. Prof. Harper tells his fish story about the mighty denizen of the deep. Students are amazed until Prof. Schoonover tells them that fish of that size were used as bait when he was a boy. We have yet to see the one who will get ahead of Prof. Schoonover. Some have tried it.
12. Bluffton College bites the dust. Northern has good team this year. Lawyers find Raabe guilty of bootlegging. Lot of co-eds thought the Mock Trial was genuine.
14. Few students on the streets today. All are wondering when it will become summer. So cold that even Smoke House is closed. No papers.
15. Monday, that's all.
16. Northern Review Staff puts out a Holiday Number.
18. The new Commandant came today. Major Schmidt is a West Pointer. He has seen eleven years of service.
21. Most of the students have gone home. Podunk girls will shine now and win the fellows with fudge and eats. Co-eds all seem to be down hearted.  

There little Co-ed don't you cry,  
 You'll have your Senior back by and by.
22. It's home sweet home for us. Home made eats, father's car, and the belle of the town. "Merry Xmas."

## This Never Happened

Colonel Trostle (to rookie at a company who has been boasting of his previous service)—“Do you know the General Orders?”

Rookie—“Yes, Sir.”

Col T.—“What are they?”

Rookie—“Be prepared and Do a Good Turn Daily, Sir.”

The saddest words,  
Of tongue or pen,  
Are: Gee! My school  
Has lost again.

But sadder by far,  
Than all the rest,  
Are these: “I flunked  
That Trigonometry test.”

Freshie (To Prof. Berger)—“Was there any Physics class Friday?”

Prof.—“I don’t know. I wasn’t there.”

Common occurrence in one o’clock classes :

Kind-hearted Professor: “Mr. XYZ, I hate to wake you but I would like your opinion on the following subject.”

Prof. Slesman: “Yes, bromine and quinine are all right, but name one more.”

Student (in desperate struggle) : “Canine.”

### BECKWITH JOKES

Beckwith (in Cal. in sleepy class) : “What is it I want?”

Student: “I’ll be d—ed if I know what he wants.”

Eecky,—“The 35th problem is easy. Just break it down in partial fractions.

Stude—“I’d like to break him down in partial fractions.”

### IN DEMOCRATIC AMERICA

Becky calling the roll: “Weinberg.” “Here.” “Litzenberg.” “Here.” “Livinschoski.” “Here.”

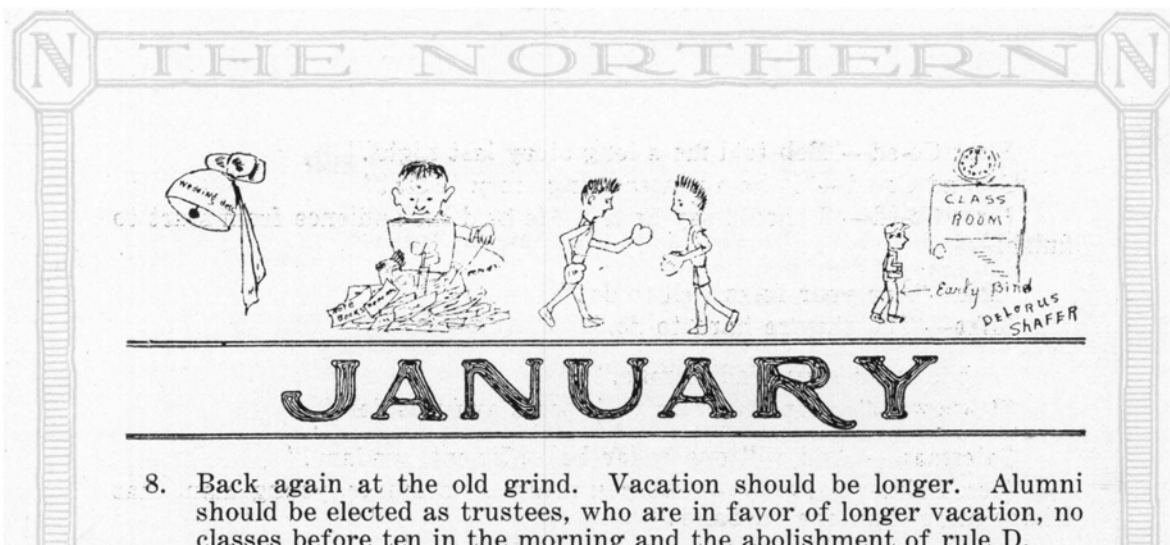

Professor Freeman’s instructions had been duly impressed on the Foreigners in English. Ditto was conditioned and decided to make a strenuous effort. “A vivid beginning to the short story”—was what he needed. At last he evolved this:

“Oh, hell!” said the Duchess, who up to this time had taken no part in the conversation.

And who was the Pharmic that wore his dog tag to the state examination?

Professor Freeman’s Choicest Literature:

“The boat reappeared but brother and sister had gone down in an embrace never to be parted, living through again in one supreme moment the days when they had clasped their little hands in love and roamed the daisied fields together.”

8. Back again at the old grind. Vacation should be longer. Alumni should be elected as trustees, who are in favor of longer vacation, no classes before ten in the morning and the abolishment of rule D.
9. Wedding bells are ringing over the Holidays for numerous Alumni of Northern.
10. Nearly forgot those good resolutions which were made over the long leave. Have overhauled all the old note books with the intention of filling a horrible vacuum before graduation.
13. Have been wondering if Prexy keeps all those excellent resolutions that he tells about in chapel?
14. Dr. Anderson is in Youngstown organizing a Northern alumni chapter. He has established a fine chapter at Detroit.
15. Coach Bolen is arranging an intra-mural basketball league. Prof. Harper is greatly in favor of the Sorority league.
17. Sixty students have enrolled in the boxing class. All have taken out accident insurance, as that is the requirement.
20. The League of Nations question was settled today by the faculty and the student body. Three score and nine persons, including three of the faculty, voted against its adoption in any form. No doubt Prexy regards these persons as the wilful sixty-nine.
22. Today one of the most remarkable incidents happened. A student came to the Seat of Learning at the early hour of 5:15. In other words, the son rises, then the sun rises.
24. Co-eds will not play basketball before the men. This sad affair-has cast a shadow over the entire student body.
25. All kinds of clubs are being formed. The latest club is the Blue Jacket Club. About twenty gobs have enlisted.
26. Faculty decides to give credit for those who saw service.
28. The Northern Review stages a Commercial College number. The College of Commerce was among the first.
29. Those fine New Year's resolutions have gone to smash.
30. Law College the seat of a big fight. After the dust of the battle had settled, the Review reporter is told that it was only to make a suit for mock trial.

First Co-ed—"Bob told me a long story last night."  
Second Co-ed—"Is he an interesting story teller?"  
First Co-ed—"I should say he is! He held his audience from start to finish."

Jack—"Are your folks well to do?"

Mike—"No, they're hard to do."

"Johns is an awful ladies man."

"I know it." I've seen him with some awful ladies."

Salesman—"And will one collar be sufficient, madam?"

Mrs. Palmer (angrily)—"Do you mean to insinuate, young man, that I have more than one husband?"

Later to bed,  
And later to rise;  
Makes the flunks swarm  
Thicker than flies.

Little words of wisdom,  
Frozen on the walk,  
Makes the naughty adjectives  
Mix in people's talk.

Little words of wisdom,  
Little words of bluff,  
Makes the Profs all tell us,  
Sit down; that's enough.

Prof. Trainum: "A dormitory is a place where students are kept."

A lock of hair will oft recall  
Sweet memories like a flash;  
But it brings up lots of other things,  
When you find it in the hash.

Dr. Davison: "Miss Hines, which pictures do you prefer in a text-book?"

Miss Hines: "I prefer the pictures of the men."

Miss Baker: "Would you leave your home for me?"

Dague: "I'd leave a baseball game in the ninth inning with the score a tie."

Erown: "Professor, how long could I live without brains?"

Prof. Huber: "That remains to be seen."

Prof. Harper (in class): "We were hungry and ye gave us bread; we were thirsty—"

Cope: "And ye gave us prohibition."

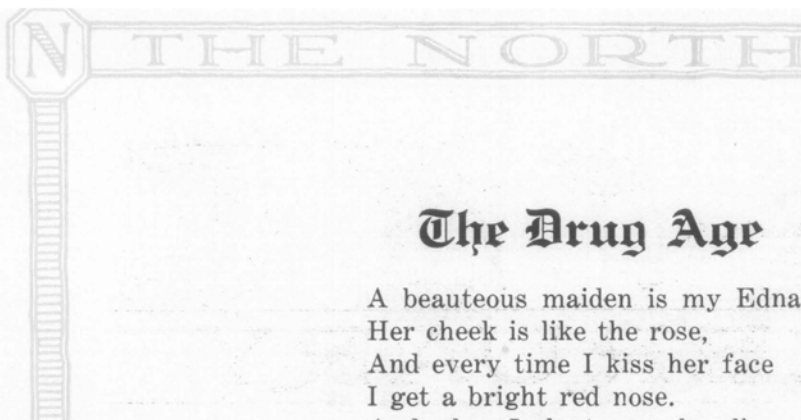

Ford—"Is that book in the library, Prof?"

Prof. Trainum—"No, it's a recent **book**."

## FEBRUARY

1. Septuagesima Sunday. We don't know what that means but the almanac says so.
2. Groundhog day. Freshmen are slowly learning better manners.
3. In big headlines the Northern Review says: "Northern trims Heidelberg 27-20."
4. Snow, sleet and rain.
5. Prof. Harper's fish story is still in our minds.
6. Bob-sled parties the go. Frozen ears the style.
10. The "flu" ban tightens by Mayor's order. Games and public meetings cancelled.
11. Eventless days except for classes and "flu;" which did you have?
14. Valentine day. Co-eds get reminders from the home town beau.
17. Chief Justice Nichols of Ohio Supreme Court addresses student body in chapel, and the lawyers afterwards.
18. It is rumored that Prof. Weir's Current Politics class advocates radical changes in University rules to make chapel voluntary and compulsory dance, dinner and theater parties.
19. More joy! Northern 34, Heidelberg 22.
20. Continued joy! Northern 29, Baldwin-Wallace 25. Fraternities stage Washington's Birthday parties.
21. Still more joy! Northern 42, Hiram College 17.
22. The climax of joy! The victorious team returns and are royally received by parades and speeches; remainder (censored).
23. Pictures are being taken for the Annual.
26. Engineers exhibit and program in full swing.
27. Brown Gym is alive with the Engineers' exhibit and Engineers. Crowd resembles a county fair.
28. Engineers' annual banquet. Co-eds and Engineers are the social butterflies.
29. We are sure this is leap year because this is the 29th.

## The Drug Age

A beauteous maiden is my Edna,  
Her cheek is like the rose,  
And every time I kiss her face  
I get a bright red nose.  
And when I plant upon her lips  
A small salute and chaste,  
The lipstick that she uses leaves  
An unromantic taste.  
Whenever I salute my girl  
And add some cheerful hugs,  
I swallow in boundless joy,  
Nine different kinds of drugs.  
So mine is but a sorry lot,  
And mournful is my place;  
I must become a drug fiend if  
I want to stick with Edna.  
And when my friends walk slow behind  
This stark and rigid frame,  
And scatter flowers upon my bier,  
Must say that I died game. — Johns

“What do you keep the old mule around for? He’s no good.”  
“I know, but he’s the only thing around the place now with a kick in it.”

This might be a Northern Co-ed:

There was a young lady named Maud,  
Who was a most terrible fraud;  
When dressed on the street  
She looked fit to eat,  
But down on the beach, oh my gracious!

County Judge—“Ten dollars.”

“Doc” N.—“Can you change a twenty dollar bill?”

Judge—“No, but I can change the fine. Twenty dollars.”

Coal Dealer—“What kind of coal do you wish, madam?”

Mrs. Winegardner—“Dear me, I am so inexperienced in these things.  
**Are** there various kinds?”

Coal D.—“Oh, yes. We have egg coal, chestnut—”

Mrs. W.—“I think I’ll take egg coal. We have eggs oftener than we  
have chestnuts.”

## MARCH

3. Seniors have only one more exam. and they will be through. They are now going down the home stretch.
4. March so far is very meek. No doubt we will pay for it in April.
5. Our basketball team beats Kenyon at Lima. The team has made a good showing this year.
6. Some of Northern's energetic students walk to Lima. They do not walk back, however.
8. A neighboring college has the right idea. They have no school on Monday. We think that Monday should at least have a half holiday, for Seniors anyway.
10. President Smith's home the scene of a milky accident. An auto full of students ran into the milk wagon. Result, Prexy's lawn received a milk bath.
12. It's a grand and glorious thing to have Friday roll around—Dates, Lima and Everything.
17. The R. O. T. C. band gave its annual concert tonight. Probably the Duplex quartet was heard for the last time.
19. Colonel McKinley inspected the R. O. T. C. unit today. He was highly pleased with the local battalion.
20. Kappa Psi, well known medical fraternity, had a chapter established here today. They have 35 charter members. This will fill a long felt want for the Pharmics and Pre-Medics.
23. This week's Northern Review is dedicated to the fraternities and sororities. Co. C wins intra-mural basketball league. They put up a brand of basketball second only to the Varsity.
25. A drop of water fell upon a grain of dust, thereafter its name was mud. That's the history of the last three days—MUD.
26. The Boys' Glee Club went over to Rawson last night.
27. Eight men receive their letters in basketball. Captain Carl Holman and John Roth will be the only two players to graduate this spring.
30. The Northern Review runs a picture of John F. Kramer. President Wilson gave to this Northern Alumnus the big task of enforcing the national dry laws.
31. Ralph Parlette came back to his old town tonight. Fourteen hundred friends were at Lehr auditorium. The Seniors are prouder than ever that they have dedicated the Annual to such a worthy son of Northern.

## Good Reasons Why These Persons Do Not Put Their Initials on Their Suit Cases

Raymond E. Daily	H. A. Donithen	Donald A. Gillim
J. Austin Potter	C. A. Randal	George A. Speese
Harold I. Scoville	Miles A. Tinker	Jno. E. Wells
Pearle E. Arnold	Ralph O. Bayles	Laura A. Diehl
Ola English	Gladys Gallman	Pearl Goodwin
Olive Keller	Pearl Montgomery	Alice Messenger
Loma N. Newell	Bess Stover	Modjeska Schwab
C. O. Taylor	Alice Temple	Lima E. Watts
Dorothy E. Ware	Neva O. Brown	Henry Erickson
Helen Ewing	D. A. Miller	Mary E. Newton
Ida Speece	Albert Zulch	Bruce B. Bargeman
Olin Coffman	Carl O. Doerman	Maurice Elder
Wm. Elliot	Ray I. Gerhart	Harold E. Leiter
L. A. McLeod	Phillip Matz	David A. Nelson
Dewitt Ogan	H. E. Parkin	Geo. A. Pleam
Jno. A. Riley	Chas. A. Trowbridge	E. N. Davis
Dean A. Miller	Wm. E. Bennett	Glenn O. Davidson
Paul Sowash	Beattie Beuttel	Uarda Seidiner

Focht—"Everyone is gifted along some line. Even Fat Stoup is gifted along the waist line."

Junior—"I wonder how all this knowledge accumulates at college?"

Western Visitor—"Can you tell me a good place to stop at?"

Editor of the Northern Review—"Certainly ; just before the 'at.' Good-day, sir."

"I want to get a couple of copies of your paper for a week back," said a new student.

Fred Slager—"Don't you think you'd better use a porous plaster?"

Rut—

No.

Just—

No.

Once—

No.

Please—

n—

Henry, I thought Northern students shaved every day?

00

E. P.  
SHAFFER

## APRIL

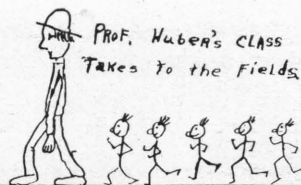

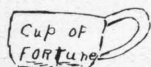

1. Delta Sigs are aroused from their slumbers two hours ahead of time. Only one fellow saw the joke. He also saw the bath tub later.
4. Easter Sunday. It worked havoc with the co-eds new clothes, for snow and rain were on the menu.
5. Base ball men are practicing daily, that is between showers.
7. Secretary Smull gives his speech against homeless dogs of Ada. Prof. Huber welcomes all homeless dogs.
10. M. M. C. are holding their meetings. It is rumored that they are preparing to take in new members. Years ago there was an organization here known as the Maple Molasses Club due to the nature of a prank they pulled off. The new M. M. C., however stands for Married Men's Club.
12. The first snowfall of spring today.
13. The College of Expression gives a fine recital. Light plant was shut down three hours. Why doesn't the light plant shut down on Saturday night?
14. Army chaplain gives thrilling talk on his life in Siberia. Army chaplains appeal to a fellow for they seem to understand him.
15. Dr. Davidson gives fine speech on teaching profession. He said that we should not teach school for the mere salary we receive. We surmise that no one does in the year of our Lord 1920.
17. In spring a young man's fancy turns to buying furniture on the installment plant, in leap year a woman's fancy.
18. Rain, cold, chilling rain. Not the kind that brings the proverbial spring flowers.
20. Sororities hold movie parties this week. They are awful exciting things.
22. Madam E. Borgny Hammer and troupe presents Hedda Gabler by Ibsen. It was certainly well worth the time spent in going to hear it.
23. The same company presents the Master Builder. These two plays have given the students something to think over. The Pharmics hold open house this week. Dean Raabe's pill rollers make a mark when they go to Col. We pull down first place in the state exams.
28. April brings tennis, ukeleles, neglected lessons, heart affairs and bills to dad.
29. At last the first spring flower makes its appearance. It must be spring.

PRIZE PUPILS OF THE CLASS 1920.

Out to old  
Aunt Beckey's

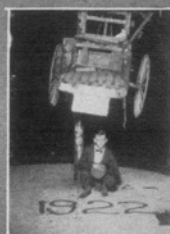

## MAY

### The Ouija Board Furnished the Diary for This Month

1. Baseball seems to be the big sport of the season. Every organization and company has a team in the field. Company C looks like it will win the cup the same as it did in the basket ball league.
2. Church bells sound pleasant from a shady tree. It is nice to go to church on a spring morning, but it's lot nicer not to.
3. The moon, says Prof. Huber, has a decided effect on the tide. The M. M. C. comes closer to it when its members declare it has a greater effect on the untide (tied).
4. It is just the hard luck of a Senior to have cut class the first part of the term and now when it is fine weather, O well, you know the rest, we missed class anyway. (Senior privileges.)
7. The Ouija board has nothing on old Aunt Becky. Every evening does some fair co-ed go to see her. No doubt the said fair co-ed wants to know if her Senior will come back in a few years and claim her.
13. Here is warning to any future Northern student that intends to take any classes under Prof. Huber. You will have to study for it breaks his heart to give an Ex. What ever you do don't take any of his field classes, for he will give you three cross country runs each week. Profit by the advice of one who knows.
14. Seniors are busy selling their books. Second hand books are the only things that have not gone up this year.
15. Lot of things going on this week. Seniors are simulating dignity with the coming of the robes. Even the Ouija board goes on a strike.

## Twenty Years of Experience

The longest in America, devoted to the one idea of building the highest quality motor truck that human minds could design and perfect.

Twenty years of pioneering the way for others, progressing from the first crude one cylinder truck ever built, in 1901, to the powerful 1920 Grammm-Bernstein masterpiece.

Twenty years of nationally recognized leadership in truck design and construction.

Twenty years of successfully solving the hauling problems of the world, of reputation for highest quality and unsurpassed performance.

That is the unequalled history of B. A. Grammm and the Grammm-Bernstein Motor Truck Company.

All worm drive trucks priced fully equipped—no extras to buy.

# Entering the World Electrical

**T**HE graduate of today enters a world electrical.

Gathered from the distant waterfalls or generated by the steam turbine, electric power is transmitted to the busiest city or the smallest country place.

Through the co-ordination of inventive genius with engineering and manufacturing resources, the General Electric Company has fostered and developed to a high state of perfection these and numerous other applications.

And so electricity, scarcely older than the graduate of today, appears in a practical, well developed service on every hand.

Recognize its power, study its applications to your life's work, and utilize it to the utmost for the benefit of all mankind.

THE COST OF CLOTHES

It isn't measured by the price alone,  
but by the service you get for the price.  
All-wool materials, correct style and  
tailoring are combined in our clothes  
to give you the longest and most satis-  
factory wear.

The cost per month of service is lowest in such clothes.

## The Deisel Co. LIMA'S BIG STORE

WE ARE ESPECIALLY EQUIPPED  
TO SERVE YOUNG MEN AND  
WOMEN TO THEIR PARTICULAR  
SATISFACTION

The unusual variety of the stocks carried in this foremost of Lima's retail institutions enables us to specialize particularly upon the requirements of our youthful friends.

Our departments devoted to the needs of young men and women are directed by experts who seek to embody the good taste, dash and spirit of youth, demanded by the young people of today in all their items of dress and accessories.

To produce the highest art in result with a minimum cost has been our diligent aim and the success of our effort has been evidenced in our constantly increasing clientele among young people of taste and judgment.

We extend a cordial invitation to the student body of Ohio Northern University to make this store their shopping home.

## Fry's Pure Food Store

Deserving of keenest inspection and most exacting comparison. We cater to the student trade, always handling an up-to-date line of Groceries, Cakes, Fruits and Candy. Our line is complete. Yes, it is replete; and one great factor in making it this way was the support of the Faculty and Student patrons.

We thank them for their support and solicit the patronage of those remaining in school.

## L'Envoi

At last we have reached the end of our work, the same as you have now reached the end of the 1920 Northern.

From the editing of this book, we have gained, no doubt a practical knowledge of book publishing. We have learned in a way a great deal of facts and history. We have come to know that the members of the faculty are human beings, that they have their foibles and frailties, the same as we have. All these things are valuable and good, but the more valuable and better things we have gained are not these.

We have seen how willing every student is to help, we have made new and lasting friendships. Our acquaintance has taken on the aspect as members of one family.

If this book has any merits of success, any part of it that appeals to you, the credit is due to the members of the staff and to a host of others.

It is to the following that we offer our most hearty thanks for the untiring work, inspirational power and mental aid that they gave us: Mr. Porter, Miss Shafer and Mr. Randall have cheerfully contributed art designs of most excellent worth; Miss Blain and her corps of helpers, Misses Kear, Klinger, Hoover, Rex, Helser, Biddle and Mrs. Reese, for their efficient stenography we especially comment; Executive Secretary T. J. Smull, untiring fund of information, and Professor Weir's helpful criticism have been a distinct asset.

The efficient work of Lyman as business manager speaks for itself. To Focht for his valuable experience and originality do we especially thank.

We appreciate the most excellent quality work of our photographers, Miss Paeszler and Mr. Fredericks, as well as the co-operation of Ollier-Jahn, Engravers, and our printers, Defiance Printing & Engraving Company.

This year has been one of exacting and hard work. It has been our misfortune to give up other things for the 1920 Northern. It has been well worth the sacrifice. Our aim has been to represent Northern as it is. We rest the verdict with you.
